

## Pre-Application Form

Electric Vehicle Supply Equipment (EVSE)/Plug-In Electric Vehicle (PEV) Charging Station Pilot Rebate Program

**Complete and accurate Pre-Application Form(s) and required supporting documents must be submitted to and approved by the Greenville Utilities Commission prior to beginning EVSE installation(s).**

### A. Applicant Information

|                 |                 |            |                |                    |  |
|-----------------|-----------------|------------|----------------|--------------------|--|
| Applicant       | Company Name    | First Name | Last Name      | GUC Account Number |  |
|                 | Phone           |            | Email          |                    |  |
| Mailing Address | Mailing Address |            | Suite/Apt/Bldg |                    |  |
|                 | City            |            | State          | Zip                |  |

### B. Equipment Information

|                      |            |   |     |  |
|----------------------|------------|---|-----|--|
| EVSE Manufacturer    | EVSE Model | No. of units to be installed<br>Single Port: ____ Dual Port: ____ |     |  |
| Installation Address |            | Suite/Apt/Bldg  |     |  |
| City                 |            | State   | Zip |  |

### C. Project Description

Describe the project to be completed, including the general location that the EVSE will be installed and any technical specifications of which the Commission should be made aware. Please also list the potential users of the charging station, i.e., your customers employees, and/or the general public, etc.

### Pre-Application Form

Electric Vehicle Supply Equipment (EVSE)/Plug-In Electric Vehicle (PEV) Charging Station Pilot Rebate Program

#### D. Required Supporting Documents

Applicants must attach copies of the following documents to this application:

- Manufacturer's EVSE specifications and installation requirements
- Map detailing the project location (include sufficient detail to orient the Reviewer to the geographic location of the proposed project and to indicate the location(s) of the EVSE(s) to be installed at the site)
- Names and contact information of all contractors/electricians performing work on the project

**E. Applicant Signature**

I solemnly affirm under penalties of law that I am an authorized representative of the Applicant with authority to sign this application on behalf of the applicant and bind the applicant to all of the terms and conditions associated with the Rebate program, that to the best of my knowledge, the charging station that is the subject of this application will be installed in accordance with all applicable laws, regulations and permitting requirements, that there are no false statements in any application or other materials submitted to the GUC, and that no false statements have been made in order to influence any action by the GUC on this application. I acknowledge that the GUC or an authorized representative may contact me in the future regarding driving & charging behavior as well as overall electric drive satisfaction.
