RFP FOR VENDING MACHINES/MATERIAL SERVICES
8/29/2023 at 2:00PM

1. Does GUC intend on purchasing/renting/leasing the machines and utilizing inventory management software such as tracking employee purchases and providing reporting, and then managing the inventory of product in house? Or are you looking for the machines, inventory management software and solutions, as well as consolidating the products to 1 distributor/vendor?

No.

One vendor will be selected to supply Vending Machines/Materials to satisfy our requests. Vendor will provide reports as requested.

2. Is there a list of items that I am missing as a part of this RFP?

No, these items are TBD. Please refer to Specifications in the RFP.
